FREIGHT INSTRUCTIONS

If you're unable to personally deliver your phone/console to our office, please follow these instructions to get it to us safely.

Complete the attached Work Order.

Wrap up your phone/console using bubble wrap, place it inside a padded bag or box, add the completed Work Order and seal it up.

For the complete security of your phone, we recommend you ship it to us either Registered Post (insured) or Express Post Platinum (recommended). Packages can get lost in regular Parcel Post and we are not responsible for your phone until we receive it.

Address it to:

**The iPhone Doctor,
Suite 12 / 47 Neridah Street
Chatswood NSW 2067**

When repairs are complete, we will return it to you via one of the methods above, so it will require a signature from you at time of delivery.

Any questions regarding shipping details, please email us at repairs@iphonedoctor.com.au

Thank you,

The iPhone Doctor
